What Happens to my Title VI Complaint to KVRTA?

KVRTA will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with DOT's Title VI regulations. The investigation will include, where appropriate, a review of the pertinent KVRTA practices and policies, the circumstances under which the possible noncompliance with DOT's Title VI regulations occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with DOT's Title VI regulations.

All complaints will be investigated promptly. Once received, the complaint will be recorded and assigned to an investigator. In instances where additional information is needed, the investigator will contact the complainant in writing

Failure of the complainant to provide the requested information by a certain date may result in the administrative closure of the complaint or a delay in complaint resolution.

Based upon receipt of all the information required, KVRTA will investigate a Title VI complaint within 15 days of receipt. The investigator will prepare a draft written response subject to review by KVRTA Civil Rights Officer. The Civil Rights Officer will make the final determination and approve the final response to the complainant, including notifying the complainant of his/her right to file a complaint externally.

KVRTA will use its best efforts to respond to a Title VI complaint within one hundred five (105) calendar days of its receipt of such complaint. Receipt of additional relevant information and/or simultaneous filing of complaint with KVRTA and an external entity may expand the timing of the complaint resolution.
